**LA SUBDIRECTORA GENERAL DE COORDINACIÓN ACADÉMICA Y RÉGIMEN JURÍDICO  
DE LA DIRECCIÓN GENERAL DE POLÍTICA UNIVERSITARIA (MINISTERIO DE  
EDUCACIÓN, CULTURA Y DEPORTE)**

**CERTIFICA:**

Que el título de **INGENIERO DE MINAS** tiene el carácter de título universitario oficial con validez en todo el territorio nacional.

Este título surte efectos académicos plenos y habilita para el ejercicio profesional de acuerdo con la normativa vigente, de conformidad con lo establecido en el artículo 1.2 del Real Decreto 1496/1987, de 6 de noviembre, sobre obtención, expedición y homologación de títulos universitarios (Boletín Oficial del Estado de 14 de diciembre), norma de aplicación en lo que respecta a los títulos de la anterior ordenación universitaria incluidos en el denominado Catálogo de Títulos Universitarios Oficiales.

Dicho título se corresponde con el máximo nivel profesional y habilita para el ejercicio de la profesión, con plenitud de facultades y con todas las atribuciones profesionales derivadas de la legislación vigente, de la misma manera que los actuales títulos de Grado y Máster conjuntamente, que son los títulos derivados de la nueva ordenación universitaria adaptada al Espacio Europeo de Educación Superior (EEES), establecida por Real Decreto 1393/2007, de 29 de octubre.

Y para que conste, se expide el presente certificado en Madrid, a quince de enero de dos mil catorce.

GENERAL DIRECTORATE FOR UNIVERSITY POLICY

**THE GENERAL ASSISTANT DIRECTOR OF ACADEMIC COORDINATION AND REGULATION OF  
THE GENERAL DIRECTORATE FOR UNIVERSITY POLICY (MINISTRY FOR EDUCATION, CULTURE  
AND SPORT)**

**CERTIFIES:**

That the qualification of **MINING ENGINEER** is an official university qualification that is valid throughout the whole of Spain.

This qualification signifies that the holder thereof is in possession of the full relevant academic knowledge and is authorised to practice professionally in accordance with the regulations currently in force and with that established in article 1.2 of Royal Decree 1496/1987, passed on November 6, regarding the attainment, issue and regulatory approval of university qualifications (Official State Gazette of December 14), which is the applicable standard with respect to the qualifications attained under the previous university syllabus included in the so-called Catalogue of Official University Qualifications.

The qualification in question corresponds with the maximum level of professionalism and authorises the holder thereof to practice professionally, with all the powers and all the professional attributes derived from the legislation currently in force, in exactly the same way as the current qualifications of Bachelor and Masters combined, which are the qualifications attained under the new university syllabus adapted to the European Higher Education Area (EHEA), established by Royal Decree 1393/2007, passed on October 29.

And in witness whereof, this certificate is issued in Madrid on January fifteenth twenty fourteen.
